

The Career Focus Luncheon is great for business!

Join other business leaders on Wednesday or Thursday, May 6 - May 7, 2009 to make a difference in the lives of more than 2,000 Utica Community Schools sixth graders at Penna's of Sterling Heights, 38400 Van Dyke (south of 17 Mile Rd).

The Career Focus luncheon is co-sponsored by the UCS Foundation for Educational Excellence, The Chamber of Commerce and the Advisor & Source Newspapers, in cooperation with Utica Community Schools. Its purpose is to introduce youngsters on the brink of young adulthood to a variety of career options. Through your involvement, they have a better idea of the skills they will need to succeed in life after high school graduation.

Annalisa Esposito Bluhm, Communications Manager for General Motors Design and Product Planning, will serve as keynote speaker.

In addition to a great meal and rewarding conversation, Bluhm is sure to provide insights into her career with General Motors, where she supports all 13 GM brands. Her work involves new vehicle launches, concept designs and many other programs the public rarely sees. Major "reveals" include the Volt and the global Camero in 2008.

Bluhm also supports government relations, education and public policy efforts to support design education and outreach.

A product of the Utica Community Schools, Bluhm is a graduate of Eisenhower High School. She holds a Bachelor of Arts degree in Communication and Political Science and a Master of Arts degree in Communication, both from Eastern Michigan University.

How? It's easy and interesting!

Be a sponsor and share your expertise with a table of ten students. Be prepared to discuss what's great about your occupation. Our students will be ready with questions for you. They'll also be waiting to share their own dreams and aspirations with you, their professional role model for the day.

What does it take?

Just complete the registration form on the back and FAX or mail it to us to hold your reservation.

An invoice will then be mailed.

ANNALISA ESPOSITO BLUHM
