

The Career Focus Luncheon is great for business!

Join other business leaders on Wednesday May 5th or Thursday May 6th to make a difference in the lives of more than 2,000 Utica Community Schools sixth graders at Penna's of Sterling Heights, 38400 Van Dyke (south of 17 Mile Rd).

The Career Focus Luncheon is co-sponsored by the UCS Foundation for Educational Excellence, The Sterling Heights Regional Chamber of Commerce and Industry and the Advisor & Source Newspapers, in cooperation with Utica Community Schools. Its purpose is to introduce youngsters on the brink of young adulthood to a variety of career options. Through your involvement, they have a better idea of the skills they will need to succeed in their life after high school graduation.

PATRICIA KOLOWICH, M.D.

This year Patricia Kolowich, M.D., an orthopedic surgeon from Henry Ford Medical Center and a graduate of Utica High School will be our keynote speaker on Wednesday May 5th.

LAUREN PODELL

On Thursday May 6th Lauren Podell, traffic and general reporter from WDIV Local 4 and a graduate of Henry Ford II High School will be our keynote speaker.

How? It's easy and interesting!

Be a sponsor and share your expertise with a table of ten students. Be prepared to discuss what's great about your occupation. Our students will be ready with questions for you. They'll also be waiting to share their own dreams and aspirations with you, their professional role model for the day.

What does it take?

Just complete the registration form on the back and FAX or mail it to us to hold your reservation.
